

# Scottish Sprint and Hillclimb Championship update June 2020

---

## The 2020 Championship has been cancelled

It will be no surprise that following consultation with all member clubs it has been the regrettable decision to cancel the 2020 Championship.

There will be the option to carry your entry over to next year, should you require a refund please bear with us as the admin will take a while to get your bank details etc.

This is a situation none of us could foresee and particularly disappointing as this year was the 50<sup>th</sup> anniversary of the Championship, we are looking at a possible get together later in the year to celebrate this depending on where we are with the current situation.

If you have any questions please let us know [secretary@sshc.org.uk](mailto:secretary@sshc.org.uk)
