Qualifying Scores will be determined by a competitor's best eight results at Championship events. However, at the end of the Championship, if fewer than 12 events have been organised and run then the maximum number of each competitor's results that count shall be reduced accordingly - e.g., if only 11 events have been organised and run at the end of the Championship, then a competitor's seven best scores will count etc. But if fewer than eight events have been organised and run at the end of the season, up to four of a competitor's best scores will count.

Qualifying Scores will be calculated to include at least one score from a sprint and one score from a Hillclimb Competitors must be classified as a Finisher at an event in accordance with **NCR** Chapter 14 Appendix 3 Article 3.5 to be eligible for point scoring from that event.

C1.2 POINTS SYSTEM

Points will be awarded to all registered competitors, as appropriate to the class position achieved in the published final results for each round, and accordingly to the following table:

Number in Class	1st	2nd	3rd
Four or more Finishers	5	4	3
Three Finishers	4	3	2
Two Finishers	3	2	-
One Finisher	2	-	-

For events where there is a different class structure, the Scottish Class Structure as per these regulations will be used for scoring purposes.

1 Extra point will be awarded where an established class record is broken, and as advised by the organising club and will be awarded to class winner only.
